

## Rules and Procedures for New Student Application Academic Year 2012

### Bilingual Program

DARUNAKANBURI SCHOOL's Bilingual Program offers courses based on the national syllabus issued by Ministry of Education. Moreover, the school has added 7 more subjects by using English as a means of instruction. They are Mathematics, Science, Social Studies, Health Education, Moral Education and E.F.L. (English as a Foreign Language) which emphasizes accurate pronunciation by a method called Phonics taught by native speakers of English. In addition, the school offers special courses like Insight music, International cooking, Computer, English day, Hand writing and disciplinary training by method of marching, etc.
